YOUR 2022 LONG HAUL ENROLLMENT WILL....

For more than 100 years, the trucking industry has evolved to meet a growing nation's ever-changing needs. As the demand for commerce exploded, so did the need for networks of distribution. From coast to coast and around the world, nations were built off the bed of a truck. The American Truck Historical Society's mission is to ensure that history is preserved for generations to come.

Today, you honor this rich history by joining the ATHS Long Haul monthly support program. Long Haulers are a special group of people who give above and beyond ATHS membership. You appreciate the past but understand the need to secure a strong and stable future for the Society. Your meaningful monthly gift ensures the industry's heroes are honored, historical artifacts are preserved, and local Chapters are supported. Over time, your donations add up to big benefits for current ATHS members, and those yet to come.

Keep ATHS on the road to SUCCESS!
