

Volunteer Position Description

Truck Registration

As of 11/20/19

You are the first major stop for the attendee! Welcome them to the show, find out their needs and then get them on their way. As tempting as it is to visit, any extra time here can have negative impacts on trucks following them. We want to get them through the process as quickly as possible so they can enjoy the show!

For All Trucks:

- Cordially greet the owner/driver, introduce yourself, welcome them to the ATHS National Convention & Truck Show
- **THANK THEM** for their attendance and support of the ATHS
- Let them know you will be assisting them with the event registration process
- Remind them to stay with their truck at all times and move forward as the line advances
- When finished with the registration process:
 - Remind owner/driver to keep windshield placard readily available for photo and they will then need to display it in the windshield for the entire show
 - Direct owner/driver towards photo and explain the next steps as follows:
 - Stop and pick-up Goodie Bag and Event Chock Block
 - Then proceed to photo and get picture taken for Show Time publication
 - After photo, proceed to parking where they will be escorted/directed to their parking spot
 - Remind them again, to stay with their truck at all times and move forward as the line advances
 - Ask them if there is anything else you can do for them?
 - **THANK THEM** again for their attendance and support of the ATHS
